Mr. H. Dehaven,

Sir, Philad.a May 6, 1816.

When I called on you for the order for the organ-rent, I forgot to mention to you that the instrument was sold in March last to H. S. Tanner, of this city. The conditions of the sale ~~&~~ were that the organ was to remain with the church till May 1, 1817, & during that period the rents were to be paid to me. After May 1, 1817, the organ was to be subject to his order, agreeably to the contract entered into between Mr. Crumpton (on the part of the Church) & me. You will accordingly be guided by his orders, either in paying him the future rents as they fall due, or in delivering the instrument after a reasonable notice, at any period after May 1, 1817. I am Sir,

Yours with respect,

Thos. H. Palmer.
